I the undersigned hereby declare under penalty of perjury that the property affected by this application is exclusively owned by the applicant(s) or has been submitted with the consent of all owners of the affected property. The application contains no known misrepresentation of fact or proposed action or design that, if completed, would result in a violation of the Sumas Municipal Code. All work shall meet the rules and regulations of Appendix J Grading of the 2012 International Building Code. All provisions of law and Ordinances governing this type of work will be complied with whenever specific herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law-regulating placement of fill. This permit becomes null and void if work authorized is not commenced within 180 days.

Signature **Date**

Permission is hereby given to do the described work according to the conditions hereon and according to the approved plans and specifications pertaining thereto, subject to compliance with the ordinances of the City of Sumas, Washington.
