It's also baseball season! There are many practices and games going on at the ballfields, we want to keep the fields clear of dog waste and also the bagged dog waste.

CHIPPER

Sumas offers a free chipper service! Bring your branches to be chipped to the dead-end of Harrison Avenue on the scheduled days for free chipper service!

Starting in April through October, the chipper will be running the 3rd Friday of each month from 10 am to 12pm, and on the 3rd Saturday of each month from 9am to 11 am. Check the Events Calendar at cityofsumas.com for the specific dates.

VOYENT ALERT!

VoyentALERT! is used by the City to keep you informed during emergencies as well as day-to-day notifications related to road closures or water and electricity maintenance that may impact utilities.

The service is FREE, easy to use and anonymous. You can register at: register.voyent-alert.us, and download the VoyentALERT! app from Google Play Stores or the Apple App Store.

THE SUMAS MUSEUM

The Sumas Museum is looking for donations of weathered wood for projects. If you're tearing down a barn, shed, or fence, let them know!

The Museum is also starting an ongoing fundraiser offering a tea party at the museum for a donation!

Any questions call or text Lizette Custer at 360-319-4283.

UTILITY BUDGET PLAN

The City offers an electric utility budget plan for any resident interested.

The budget monthly payment is calculated based on the residents' previous 12 month electric usage, plus 10%. If interested, notify Arielle at abons@cityofsumas.com prior to May 29th. A proposed budget plan will be sent, and if accepted, the first payment will begin with the May 2025 usage bill, and will be billed monthly through March 2026. April 2026 is the month that the entire account will be reconciled.

SUMMER SEWER AVERAGES

During the months of April through October, sewer charges are billed based on the average water usage during the winter months (Nov. - March).

Sewer charges are based on water usage. Summer sewer averages mean that the sewer cost will never be higher than the average usage in winter. Averages are used so that using water to fill pools, water lawns/flowers, or washing vehicles won't increase sewer charges.

NEW TO TOWN?

If you've recently moved, please be sure to visit the Sumas Post Office to let them know your new address!

Often utility bills and other notices are returned to City Hall when a resident has not completed the proper paperwork with the Post Office. We want to be sure everyone receives their mail!
