Eligible Existing Heating System Being Replaced <input type="checkbox"/> Electric forced air w/out AC <input type="checkbox"/> Electric forced air w/ AC <small>*This measure doesn't apply if the existing heating system is an air source heat pump, ground source heat pump, natural gas furnace, or electric zonal—including ductless heat pumps. *</small>		
Heat Pump Outdoor Compressor Type <input type="checkbox"/> Non-Variable Speed <input type="checkbox"/> Variable Speed <small>*Heat pump must be AHRI rated, and have a minimum of 7.5 HSPFs and 13.14 SEERS rating*</small>		

INSTALLER INFORMATION

Contractor Name		Contractor Address
License #	AHRI Ref #	Total Project Cost

Documentation to submit with this form:

* Purchase receipt or invoice, including the heat pump make and model number

* AHRI Certificate

** If a variable speed compressor, include manufacturer documentation that the outdoor compressor includes variable speed or inverter driven technology (e.g. specification sheet, brochure, or screen shot). *Note: Including the text "variable speed" on the invoice will not satisfy this requirement. Additional documentation is required.* **
